- ☒ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.
- ☐ It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: examiner proposed amendments to claim 1 and 14 to make the claims read more clearly and to be consistent with the specification disclosure. Discussed original claim 10 and page 7 disclosure of the addition of aromatic oil as an extender to the formulated emulsion. Discussed the concentrations set forth in the claims regarding the aromatic oil to extend the emulsion and the concentrations of the upper limit of water in the emulsion. Applicants' authorized the amendments by examiner's amendment. See examiner's amendment.
